

THIS END OF COURSE TESTING INFORMATION

Parents,

Georgia Milestones Testing will begin May 3rd, 2021, for high school students. The testing schedule is listed below. All students in grades 9-12 who are present on testing days will participate. Milestone scores for all high school students will count 10% of a student's overall grade as it did in the previous semester. Consequently, if a student does not take the milestone, the grade for the assessment will result in a zero for that portion of the course. Make-up tests will be administered on May 7th and 11th.

VIRTUAL STUDENTS

Virtual students will be allowed to participate in Milestones testing. The only means of testing available is face-to-face for test security purposes. Parents of virtual students will need to email or contact their child's EOC teacher if they will be participating in testing. Participating virtual students will need to be dropped off in the morning and picked up after testing is completed.

THIS END OF COURSE TESTING SCHEDULE

ALL STUDENTS IN GRADES 9-12 WHO ARE PRESENT ON TESTING DAYS WILL PARTICIPATE.
